

THRAHS ALLIANCE TOUR 22.02.2019 MUSICHALL GEISELWIND

Legendary German thrashers **DESTRUCTION** released their 17th studio album »Born To Perish« on August 9th via Nuclear Blast, earning the band impressive chart positions worldwide. After the »Killfest Tour« with their label mates OVERKILL, the band have now announced the »Thrashfest Tour 2020.«

In spring 2020, **DESTRUCTION** will be joining forces with Dutch death/thrash monsters LEGION OF THE DAMNED, Greek thrash metal maniacs SUICIDAL ANGELS and German death-thrashers FINAL BREATH to tour Europe.

DESTRUCTION singer & bassist Schmier comments, "Yeah - the »Thrashfest« is back with a BANG! We are delighted to headline this strong billing of blistering steel! All the bands have put out really forceful records lately and are right down our alley, when it comes to uniqueness, live power & cool lads! **DESTRUCTION** will present a remarkable new setlist with classics & of course some of the brand-new slashers from »Born To Perish«! Come out & THRASH with us maniacs!"

Maurice of **LEGION OF THE DAMNED** adds, "We are absolutely thrilled to hit the clubs again and we are also talking about a special setlist, playing songs we have not played before or haven't been played in a long time, so be prepared - **LEGION OF THE DAMNED** is ready to rumble."

SUICIDAL ANGELS singer Nick comments, "With the release of our new album, »Years Of Aggression« and as we promised, we return with more news, exciting news. Thrashing to the bone news! We are really pleased to join forces with German titans **DESTRUCTION**, Holland's finest, **LEGION OF THE DAMNED**, and the killer **FINAL BREATH** for a seriously in your face package that will kick ass! Just check out the poster with all the dates and cities, find the one closest to you and join us for a thrash metal inferno! Do not miss this by any fuckin' chance!"

Heiko from **FINAL BREATH** says, "Last year, after a long 14-year period of silence, we finally came back with »Of Death And Sin«. We had no idea what would happen, but we were overwhelmed by the reactions of fans and press. And now we're just proud to continue with our story and hit the road with such a great thrash metal command: **DESTRUCTION**, **LEGION OF THE DAMNED**, **SUICIDAL ANGELS**... How cool is that? It's like a dream come true for us!"
